Continuation of Substance of Interview including description of the general nature of what was discussed: Examiner telephoned Applicant to discuss possible amendments which can place the claims in condition for allowance. Examiner suggested cancelling claim 4, because it was not further limiting claim 1, deleting the term "virucidal" from claims 1 and 8 and to alter claim 8 so that it depends on claim 1. Also typing error in claim 8 and dependency in claim 5 needed correction. Mr. Sanchelima agreed to all suggestions and it was decided that an Examiner's Amendment would reflect the Amendments.
